**Audubon Society of Central Maryland Fall Seed Sale**  
January 28, 2012 in Clarksville  
February 4, 2012 in Mt. Airy

Order bird seed to keep your feathered friends happy through the winter season. We offer the most popular seed: black oil sunflower, sunflower hearts/chips, peanut splits, safflower, nyger (thistle) and white millet. We offer you the best available; prices of black oil sunflower have lessened since the fall. Please help us by **volunteering** on sale day! We welcome especially those working community service hours. We have both indoor and outdoor tasks you can do.

- Watch for the spring growth of the native garden donated by ASCM at the new Robinson Nature Center on Cedar Lane in Columbia. We will look for volunteers again to plant the remaining native perennials in the early spring. Visit the Robinson Center; an extremely impressive structure and grounds, it has programs and facilities to match.

- Our **14th Native Plant Sale** takes place on the last Saturday in April, 2012. Mark your calendars! We will have all the 'tried and true' plants plus some new choices. Check our website as the date approaches for more details.

- Thanks to **Giant Food** and **Mother Nature's** for their continued support of this sale.

- See [www.centralmdaudubon.org](http://www.centralmdaudubon.org) for more details on club activities.
